

## Tuesday 28th November

12:30	Registration
13:15	Day One Open - Stephen Henwood CBE, Chairman, Aerospace Technology Institute
13:25	Welcome from the ATI - Gary Elliott, CEO, Aerospace Technology Institute
13:35	Paul Eremenko, CTO, Airbus
14:00	Prof Sam Turner, CTO, High Value Manufacturing Catapult
14:20	Russ Dunn, Senior Vice President of Engineering & Technology, GKN Aerospace
14:40	Robert Thompson, Partner, Roland Berger
15:00	Tea/Coffee
15:30	Dr Jeremy Silver, CEO, Digital Catapult
15:50	Dr Fassi Kafyeke, Senior Director - Strategic Technology & Innovation, Bombardier Aerospace
16:10	Aerospace Markets & Economics - James McMicking, CSO, Aerospace Technology Institute
16:30	Panel Session
17:20	Day One Close - Stephen Henwood CBE
17:30	Drinks
18:00	Dinner (bowl food)

## Wednesday 29th November

08:30	Registration - Tea/Coffee
09:00	Day Two Open - Stephen Henwood CBE
09:05	Aerospace Technology - Dr Simon Weeks, CTO, Aerospace Technology Institute
09:25	Dr Jaiwon Shin, Associate Administrator for Aeronautics, NASA
09:45	Prof Philip Nelson, Chief Executive, EPSRC
10:05	Tea/Coffee

10:35	<b>Breakout Session 1</b> <i>Propulsion of the Future</i>	<b>Breakout Session 2</b> <i>Aerostructures of the Future</i>	<b>Breakout Session 3</b> <i>Smart, Connected &amp; More Electric Aircraft</i>	<b>Breakout Session 4</b> <i>Aircraft of the Future</i>	<b>Breakout Session 5</b> <i>International Collaboration</i>
	Delivering the Next Generation Aero Engine	Factory of the Future	More Electric Systems	Whole Aircraft Operations	What are the Challenges and Opportunities Associated with International Collaboration

12:05 Lunch

13:05	<b>Breakout Session 6</b> <i>Propulsion of the Future</i>	<b>Breakout Session 7</b> <i>Aerostructures of the Future</i>	<b>Breakout Session 8</b> <i>Smart, Connected &amp; More Electric Aircraft</i>	<b>Breakout Session 9</b> <i>Aircraft of the Future</i>	<b>Breakout Session 10</b> <i>Aerospace Market Trends and Disruptors</i>
	Future Propulsion Systems	Enhance and Disrupt Future Architecture Concepts	Intelligent Systems	Smarter, Greener, Cleaner Aircraft	Aerospace Market Trends and Key Market Disruptors

14:35 Tea/Coffee

15:05	Paul Stein, CTO, Rolls-Royce
15:30	Peter L. Hoffman, Vice President - Intellectual Property Management, Boeing
15:50	Stéphane Cueille, Head of R&T and Innovation, Safran
16:10	Panel Session
17:00	Working Collaboratively - Dr Ruth Mallors-Ray OBE, COO, Aerospace Technology Institute
17:20	Day Two & Conference Close - Stephen Henwood CBE
