

Guidance for using the ATI Project Portal

Please find some guides below on how to navigate the system. To get the best experience, we recommend that you create a free SharpCloud account.

Dashboard

Hover over the titles and you'll see a blue box, click to go to that page (1).

Charts

On charts, the axis labels can be filtered, click these to specify the view (1).

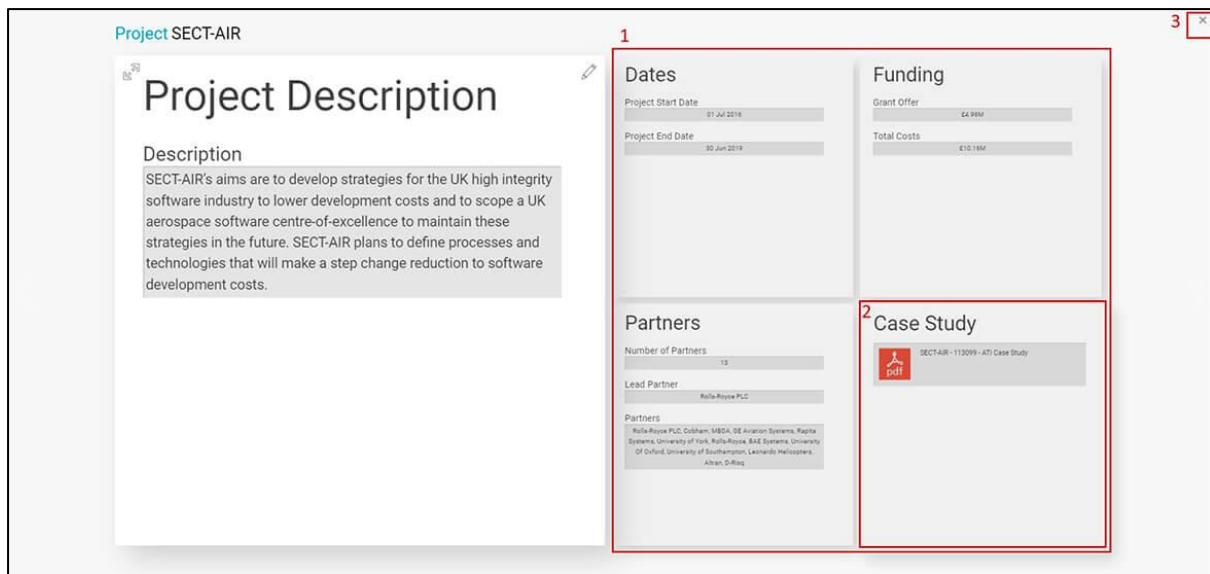

Project status (live or closed), can be filtered by clicking the relevant label (2).

You can also filter by technology capability and drivers e.g. additive manufacturing or reduce cost (3).

Click the reset button to revert to default chart view (4).

Click to return to the dashboard (5).

Specific Projects and Partners

The screenshot shows a web interface for 'Project SECT-AIR'. On the left is a 'Project Description' section with a title and a paragraph of text. On the right is a summary dashboard with four cards: 'Dates', 'Funding', 'Partners', and 'Case Study'. A red box labeled '1' encompasses the 'Dates', 'Funding', and 'Partners' cards. A red box labeled '2' encompasses the 'Case Study' card. A red box labeled '3' is in the top right corner, containing a close button (X).

Category	Value
Project Start Date	01 Jul 2019
Project End Date	30 Jun 2019
Grant Offer	£4.98M
Total Costs	£10.18M
Number of Partners	13
Lead Partner	Bella-Royce PLC

Click each square to get an expanded view (1).

Click to download the case study if available (2).

Click the X to go back (3).

If you have any queries or feedback on the system, please refer to the help section in the bottom right corner or alternatively contact info@ati.org.uk
