

ATI CONFERENCE 2024

Exhibition & Sponsorship Opportunities

In this pack you will find details of how to sponsor or exhibit at the ATI Conference 2024. Now in our fifth year, we are shaking things up with a new date and a new venue.

The ATI Conference 2024 will be held on **8th-9th October** at the ICC Wales in Newport. Moving to one of the UK's newest conference venues helps us to refresh our delegate offer, with room for additional sessions and an enhanced exhibition area.

The two-day event will focus on the ultra-efficient and zero-carbon technologies that will fly on the next generation of sustainable aircraft. Plus, we'll consider the conditions required to accelerate technology adoption.

"We were exhibitors and thoroughly enjoyed our time at the ATI Conference. We received great feedback and it was a good opportunity to connect with existing partners and meet potential new ones."

-- Exhibitor, ATI Conference 2023

We've moved - Welcome to ICC Wales!

2023 Conference

Exhibition Stand Package Options

For ATI Conference 2024 we are offering three sizes of exhibition space: Large (6x3m), Medium (3x3m) and Pods (2x1m). We are keeping our prices down – the Large space, which has increased from the 5x3m area offered at last year's conference, has been kept at the same price. The Medium space and Pods are new for 2024 and are competitively priced.

Each stand includes:

- Structure
- Flooring
- Graphics
- Lighting

Large - 6m x 3m

The price of the 18m² exhibition floorspace is £7,950

Medium - 3m x 3m

The price of the 9m² exhibition floorspace is £4,525

Pod - 3m x 2m

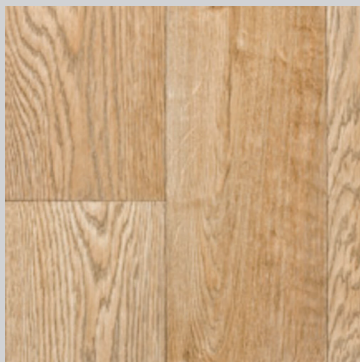

Each pod includes:

- Structure
- Flooring
- Logo Graphic
- 43" Screen
- Counter & Cupboard

The price of the pod is £2,380

Sponsorship of the evening drinks reception

An evening reception will be held at the end of Day One. All 300+ delegates of the conference will be invited. Sponsorship of the evening reception includes:

- Company logo displayed prominently alongside other sponsors on media wall and screens during the reception
- Logo and company description in the conference programme
- Thanks for sponsorship given in plenary session, with 10-min presentation opportunity for sponsor in main plenary.

The package includes two tickets for the two-day conference

The price of the evening reception is £7,500.
